10 am - 4 pm
Vilna Cultural Centre

We will be collecting non-perishable food items for the food bank (non-expired items only, please!).

Bring something for the food bank and enter a special draw.

Come out for a great day! There will two full rooms of vendors - make sure to check them all out! You can visit with old and new friends, get a hot meal at the concession, enter the draws for door prizes, assist the Grad Class and get a picture taken with Santa, support local homemade/handmade crafters and small businesses and find some new great gift ideas for Christmas, bring the kids to decorate a free cookie with Elf Ginger and drop off their letters to Santa, and take advantage of on-site gift wrapping!
